PROFESSIONAL SUMMARY

Results-driven Full-Stack & AI developer with a strong foundation in building scalable, production-grade web applications and intelligent systems. Experienced in designing end-to-end solutions — from responsive React.js frontends to high-performance FastAPI backends — with hands-on expertise in agentic AI, LangChain, and OpenAI API integration. Comfortable working across the full stack with cloud deployments on AWS and Vercel. Driven by a problem first mindset and a passion for writing clean, efficient code that delivers real-world impact.

TECHNICAL SKILLS

Languages: Java, Python, C, JavaScript, HTML, CSS

Frameworks: React.js, Fast API, Flask

Databases: MongoDB, SQL, PostgreSQL

AI / APIs: OpenAI API, Lang Chain, Stockfish Engine

Cloud & Tools: AWS, Vercel, Render, Git, GitHub, VS Code, AndroidS Studio

PROJECTS

Agentic AI: Intelligent Task Execution System / 2026

Stack: React.js · Next.js · Node.js · Fast API · OpenAI API · MongoDB · PostgreSQL · AWS · Vercel

- Improved task automation efficiency by **40%** through autonomous AI-driven planning and execution using **OpenAI API**.
- Handled **500+ API requests** with optimized pipelines; built full-stack with **React.js** frontend and **FastAPI** backend.

LLM Fine-Tuning & Natural Language-to-SQL System / 2026

Stack: Python · PyTorch · Hugging Face · QLoRA · PEFT · Fast API · PostgreSQL · React

- Fine-tuned an open-source LLM using **QLoRA/PEFT** to convert natural-language queries into executable SQL.
- Built an end-to-end pipeline for **data preprocessing, 4-bit quantization, LoRA training, and model evaluation** using SQL accuracy metrics.
- Developed a **FastAPI + React** application with PostgreSQL integration and Dockerized deployment for natural-language database querying.
- Developed a **FastAPI + React** application with PostgreSQL integration and Dockerized deployment for natural-Language database querying.

EDUCATION

B.Tech — Computer Science Engineering

Parul University, Gujarat / *Expected Graduation: 2027*

CERTIFICATIONS

- AWS Cloud Practitioner Essentials** — Amazon Web Services
- Elite + Silver | Top 1% Nationally** — Computer Networks & Internet Protocol, NPTEL by IIT Kharagpur
- Agentic AI Course** — Completion Certified

ACHIEVEMENTS

- PU Hackathon 2025** — Built AI-powered solution under 24 hours at Parul University
- Top 1% Nationally** — NPTEL Computer Networks among thousands of students across India
- 300+ DSA Problems** — Solved on Leet Code covering Arrays, Trees, Graphs, and Dynamic Programming
